

Prof. Luca Spataro

Welfare and Economic Integration of the European Union

Spring Semester

3 ECTS

WRITTEN EXAM

Requirements: Macroeconomics and Microeconomics

Programme:

The course aims to analyze some economic issues of the European Union , with particular reference to those pertaining to multiple jurisdictions : fiscal federalism and tax competition . The course will also discuss and analyze some intertemporal issues, such as social security systems , public debt and economic growth. Reference book will be:

[Jean Hindriks](#) and [Gareth D. Myles \(2006\): Intermediate Public Economics, The MIT PRESS, chapters 19-23.](#)
