

WINE TASTING TOUR AT TERRE DEL MARCHESATO WINERY

Join us for a real wine tasting in one of the most famous
Winery of the Tuscan Region!

Tuscany is like a great bottle of wine: lovingly created and carefully aged, and the longer you spend contemplating it, the better it gets.

The vineyards of the Etruscan Coast produce prestigious wines. In the **Bolgheri** area and its surroundings, some of the best Tuscan wines renowned around the world are produced. The Super Tuscan Sassicaia, produced by Tenuta San Guido, is probably the most famous (and expensive) as it's considered one of the finest Italian red wines.

Friday the 23rd February at 14:00 MEETING POINT IRO Office

Visiting **TERRE DEL MARCHESATO WINERY** will be an authentic travel into the history and culture of wine, as well through the experimentation of your senses, leading all of you to know the cellar, the wines and the winery's philosophy.

The tour consists in a visit to the vineyard, a visit to the winery and canteen, accompanied by explanation of the techniques, to end with a wine and olive oil tasting in the tasting hall.

DON'T MISS THIS EXCITING EVENT!!

At the end of the Winery tour we will have a visit of the precious little village of Bolgheri, famous for its *Viale dei Cipressi* that leads to the village and full of small souvenirs shops, bars and restaurants.

The tour costs 10€ to pay directly at the place but [we need a confirmation email](#) from you if you'd like to take part at the tour.
